2025 GatorBar Distributors of the Year

GatorBar is proud to recognize and celebrate our 2025 Distributors of the Year from across the United States. Our dealer and distribution partners play a critical role in delivering GatorBar products to contractors, builders, engineers, and construction professionals nationwide.

The continued growth of GatorBar would not be possible without the strength, commitment, and professionalism of these partners. We sincerely appreciate your partnership and look forward to building even greater success together.

Top Distributors by Region

Northeast Region

Weyerhaeuser – Michael Schwartz and Team

Weyerhaeuser is one of the world's largest private owners of timberlands and a leading manufacturer and distributor of wood products. The company sustainably grows and harvests trees while producing lumber, panels, and engineered wood products for residential and commercial construction. Weyerhaeuser operates 22 distribution centers across the United States, serving dealer customers with a strong commitment to premier products and building solutions.

Southeast Region

White Cap – Maurice Grover and Team

White Cap is a leading North American distributor of specialized construction supplies, including concrete accessories, tools, and safety products for professional contractors. Serving more than 200,000 customers, the company operates approximately 500 branches, supporting non-residential, infrastructure, and residential construction projects across the continent.

Midwest Region

Forest Products Supply – Shannon Fravell and Team

Forest Products Supply is a leading wholesale distributor of building materials in the Midwest, carrying one of the largest inventories in the region. Their product offerings range from core

construction commodities to specialty materials such as PVC products, composite decking, and engineered wood.

Southern Region

Mercadal's Construction Supply – Joventino Luna and Team

Mercadal's Construction Supply is a trusted concrete and construction supplier based in Clovis, New Mexico, serving contractors throughout the surrounding region. Known for quality service and strong contractor relationships, Mercadal's carries and distributes #3, #4, and #5 GatorBar in 20-foot lengths from its headquarters location.

Northwest Region

Intermountain Concrete Specialties – Dominick Attanasio and Team

Intermountain Concrete Specialties has been a leader in the concrete industry since 1950. With a strong commitment to customer service and quality products, contractors have relied on Intermountain for concrete solutions for more than half a century. The company operates multiple locations including Idaho Falls, Logan, Ogden, Salt Lake City, Draper, Orem, and St. George.

Southwest Region

Weyerhaeuser – Stephanie Iwuchukwu and Team

Weyerhaeuser continues to be a key distribution partner in the Southwest region, delivering building materials and engineered wood products to dealer customers throughout the United States with their extensive distribution network.

Built on Strong Partnerships

Our dealer and wholesaler network is the foundation of GatorBar's success. Through these partnerships, GatorBar products remain accessible to concrete contractors, homebuilders, developers, engineers, architects, code officials, and DIY professionals across the country.

Together, we are delivering a better reinforcement solution, 2× stronger and 4× lighter than steel, rust-free, corrosion-free, and ICC-compliant.

From the entire GatorBar team, thank you for your partnership and dedication.
