Re: RTI New Product Evaluation Tracking #17-3041 "GatorBar"

Dear Mr. Kero:

Thank you for submitting your product for evaluation. The Texas Department of Transportation's (TxDOT) Materials and Tests Division (MTD) has evaluated "GatorBar" and approved the product. This informs Districts and other Divisions the material has been tested and meets the proprieties that it is claiming to meet. You can promote the product with Contractors and designers with the intent of getting the material incorporated in a project.

Thank you for contacting the Texas Department of Transportation. If you have further questions, please contact us at 512-416-4738.

Sincerely,

Martin Dassi
Research Project Manager, RTI
